These memories will follow  
Your actions through the year.  
They'll keep you from forgetting  
The things you hold so dear.

You'll start remembering pictures  
You didn't know we took,  
And all the funny little things  
While leafing through this book.

You can't forget the Latin,  
Or the troubles had in math,  
The times you thought you'd lose your  
head  
While trodding schoolwork's path.

We'll take you through the school year  
From football into track,  
And in the many years from these  
You'll wish that you were back.

# FALL

left memories of the  
first day of school—  
renewing old friend-  
ships, making new

friends, the throes of registration, the bewildered, puzzled Freshmen,  
the assured Sophomores, the elated Juniors, the arrogant Seniors. . . . .

Problems of the first day, however, were soon behind for we were  
planning class elec-  
tions, selecting term  
projects, and cheer-  
ing at our football  
games.

*We have always wondered what was said in these half-time sessions.*

Cheers of "Go, Indians, Go!" and "Maroon and Grey, Fight, Fight!", led by Dobyys-Bennett's peppy CHEERLEADING SQUAD, rang in the ears of our football boys during their half-time dressing room talks.

*Always fun at the frolics*

Operating the concession stand at the football games, which is a way of making money for their organization, and holding the annual "Miss Key Club" contest are projects of **THE KEY CLUB**. This group is the Junior branch of the Kiwanis Club.

Besides having their initiation in the fall, the **KEY CLUB** has many other worthwhile projects, such as, providing medals and referees for the intramural program, the clean-up campaign, and Career Day in the spring.

*1st Row, Left to right — D. Gift, W. Wright. 2nd Row, Left to right — W. Campbell, B. Rule, F. Teets, A. Anderson, D. Burdine, C. Ross, G. Bryan, K. Koffman. 3rd Row, Left to right — D. Wilcox, P. Kress, W. Sproles.*

Working and slaving to meet the deadline seem to occupy most of the time of the editorial staff of our **INDIAN TRIBUNE**. This paper is published monthly under the supervision of Miss Martha Wray, sponsor, and Sara Leeper and Sara Lou Basinger, co-editors-in-chief. Theola Bear is the assistant editor. Wayne Campbell edits the sports page, and Bobbe Hague is the circulation manager. They have a staff of reporters and feature writers on their staff who write most of the material.

The **ADVERTISING STAFF** is the "bread and butter" department of the paper. Under the direction of Miss Dessie Nisbett, they sell advertisements to the merchants of our city. The paper that you receive free every month is the result of their services.

*Left to right — J. Droke, S. Johnson, S. McCoy, A. Pyle, M. Carson, V. Wilcox, J. Early.*

Left to right — M. Whitaker, H. Bump, M. Stroud, B. Greene.

The program heard on the radio every Friday at one o'clock is the result of the efforts of **THE RADIO STAFF**. The technician regulates the program from our stage and the director, Miss Margaret Phlegar, working with a student director and announcer, helps to organize the program. The purposes of the staff are to develop poise through performances and to teach the fundamentals of radio.

The coordinating branch and general peace-maker of our school is **THE INTER-CLUB COUNCIL**. They schedule the club events and prevent conflicts in time, place, and ideas. One representative is elected from each club to give a general balance, and they work together in a "club union."

Left to right — J. Bond, H. Bump, V. Wilcox, H. Johnson, M. Stroud, S. Basinger, B. Dunn, B. Howard, J. Ballard, S. Leeper, A. Anderson, K. Estes, M. Carson, L. Patrick, C. Fields, M. Meyer, R. Thomas, D. Brown, P. Bachelder, L. West, C. Crane.

I hope I know *my* way around the building!

The **FUTURE TEACHERS OF AMERICA CLUB** is composed of students who have chosen teaching as their life's work. They benefit the school by serving as guides at the P.-T.A. open house, which is held in the fall of the year, and they serve their community by working at the Hospitality Shop at the Holston Valley Community Hospital.

Activities of the club are lead by its officers: Raymond Thomas, President; Gertrude Nidermaier, Vice-President; Lee Marsh, Secretary; Jean French, Treasurer; and its sponsor, Miss MacMillan.

The F.T.A. sponsors American Education Week every year. Club members, Gertrude Nidermaier, Raymond Thomas, Lee Marsh, and Rupert Boles combine talents to produce an editorial for the local newspaper and a radio program to promote American Education Week.

Must be interesting!

Where the elite meet to eat.

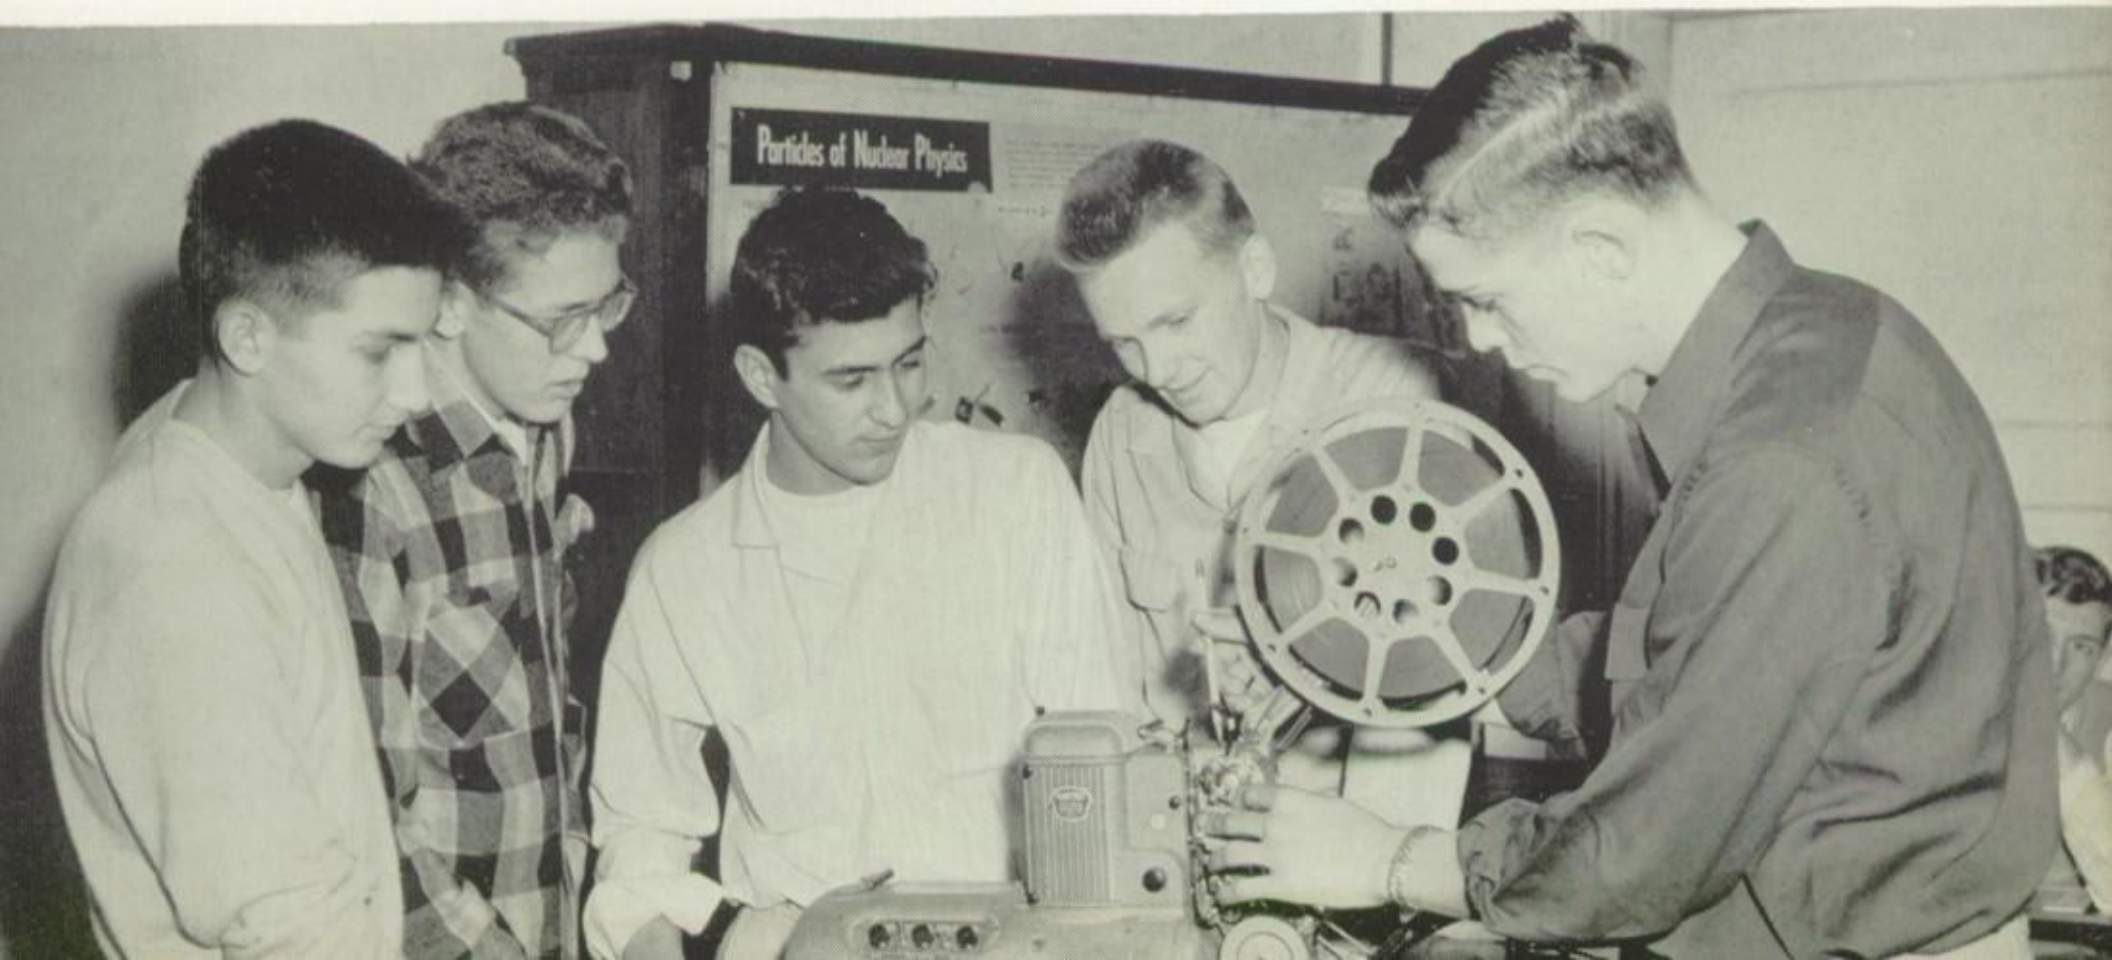

Out literary enthusiasts.

The **LIBRARY CLUB** is an organization made up of library assistants. The duties of the members range from caring for the loan desk to keeping the shelves in order. This year the **LIBRARY CLUB** conducted a campaign to promote "better treatment of library books." The officers of the club are Faye Loggans, President; Margaret Brooks, Vice-President; Evelyn Ireson, Secretary-Treasurer.

The **AUDIO-VISUAL CLUB** is an organization made up of a group of boys whose main function is to serve the students and faculty by operating the audio-visual equipment.

The officers of the club are: Bob Gantt, President, and Tommy Harkleroad, Secretary. Mr. Bill Blevins serves as sponsor of the club.

Show us how, Bob.

The **STUDENT COUNCIL** of Dobyns-Bennett, whose main function is to serve as a link between the students and the faculty, meets twice a week each month to discuss problems brought before the group by students.

The **COUNCIL** sold, not "Van Camp's Pork and Beans," or "Libby's Corn" as a first glance at this picture might lead you to believe, but popcorn, at some of the basketball games, sponsored a rummage sale, and sold coat hangers to raise money for their annual dance. This year's dance, carrying out the theme "Two Hearts in Three-Quarter Time," was a whopping success.

Under the leadership of its officers: Forrest Teets, President; Shelbourne Wallace, Vice-President; Linda Hayworth, Corresponding Secretary; Martha Meyer, Recording Secretary; Winter Wright, Treasurer; and its sponsor, Miss Ewalt, the organization installed the new members of the **JUNIOR HIGH STUDENT COUNCIL**.

The **HONOR SOCIETY** is an organization whose purpose is to distinguish those Seniors who excel in leadership, scholarship, service, and character.

The **HONOR SOCIETY**, which is always recognized at graduation by the gold tassels dangling from the caps of each of its members, is lead by its officers: Don Brown, President; Lois Patrick, Vice-President; Eleanor Taylor, Secretary; Gertrude Nidermaier, Treasurer.

Some of the activities of the club are initiating members of **JUNIOR HIGH HONOR SOCIETY**, sponsoring a radio program, and giving a Christmas basket to a needy family.

The Freshman play, directed by **THESPIANS**, Bobbie Reams and Linda Hayworth, revealed the future Sarah Bernhardt's and John Barrymore's of Dobyns-Bennett.

*Left to right — G. Nidermaier, B. Latimer, A. Pyle, D. Huntsman, P. Maness, K. Churchill, B. Hague, A. Rogers, L. Crymble, S. Childs, C. Williams, S. Duke, S. Adams.*

**THE MAROON AND GREY STAFF** is divided into two groups, the **EDITORIAL STAFF** and the **BUSINESS STAFF**. Editor-in-chief, Bobbe Hague and Assistant Editor, Betsy Latimer guide the editorial staff in planning and preparing the annual. Many thanks are due to Miss Blanche Crigger whose tireless efforts and encouragement have made this annual possible.

**THE BUSINESS STAFF** handles all money and prepares the ad section of the annual, as well as handling the selling of the annuals. The "man behind the scenes" of this group is Mr. Waldo Smith. Lois Patrick is the Business Manager; Shirley McNeese, Advertising Manager, and Nancy Jones is the Assistant Business Manager.

*Left to right — N. Jones, S. McNeese, L. Patrick.*

Being initiated into the **HI-Y** are its new members, who must live up to and believe in the **HI-Y** purpose and platform and submit an application with their dues. The **HI-Y**, a younger branch of the Y.M.C.A., works on community projects and school programs. The sponsor of the club is Mr. Shank and its officers are Bob Dunn, President; Jimmy Lott, Vice-President; Wayne Campbell, Secretary; Raymond Thomas, Treasurer; and Houston McBride, Chaplain.

The newly-organized **TUMBLING TEAM** is made up of the most agile girls from Mrs. Morris's Freshman and Senior gym classes. This group of "limber lasses" practice regularly in preparation for an exhibition to be given in the Spring.

In the picture below are Nancy Sims, Sara Lou Basinger, Mary Ann Peter, Ina Egan, Barbara Wilder, Shirley Joseph, Kathleen Wilkerson, Sara Leeper, Jackie Sluss, Martha Patterson, and Jeannine Albert. These girls worked long hours. Some fell by the way, while others made the team.

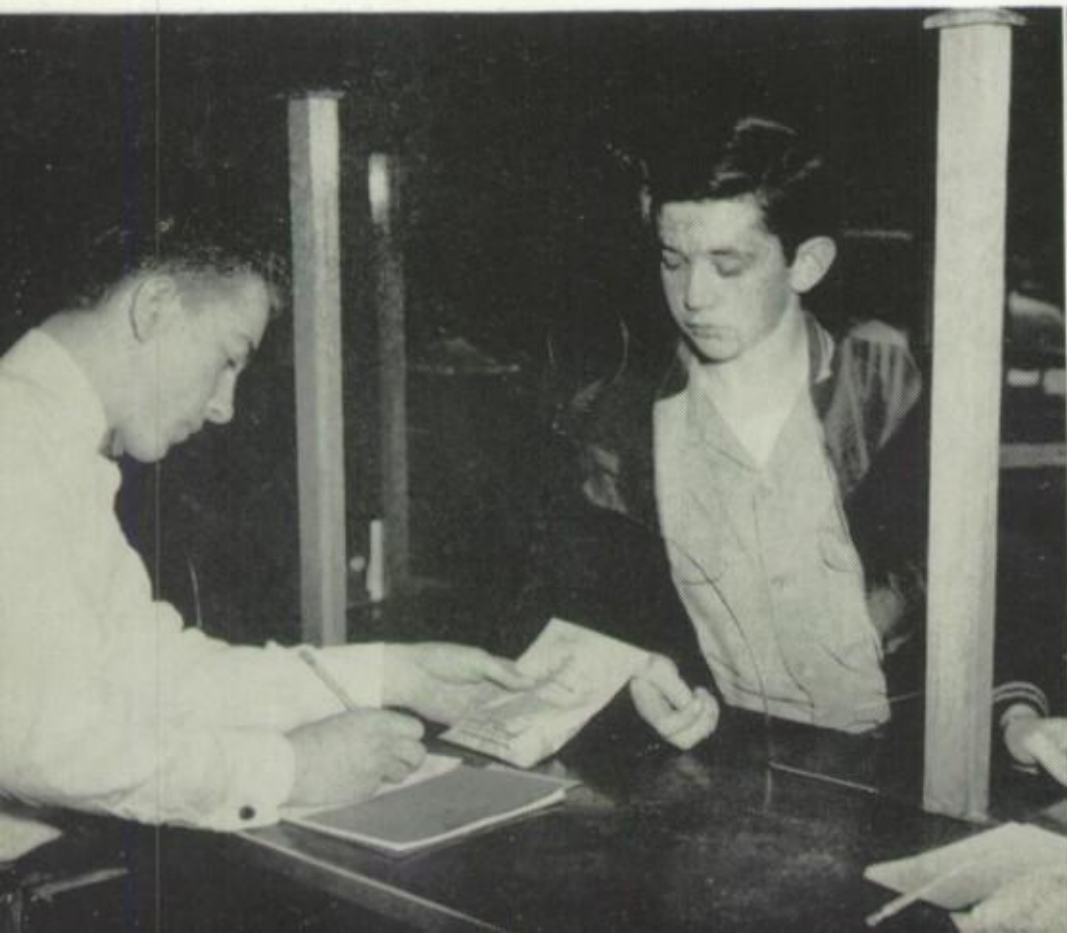

*Left to right — J. Coates, J. Ramsey, Mr. Roberts, E. McDaniels, B. Mooneyham*

The smiling faces of **DOBYNS-BENNETT D.-E. CLUB** members are seen across counters or at desks of many of Kingsport's business establishments. This organization, sponsored by Mr. Jack Roberts, is divided into two sections, the **A B C D.-E. CLUB** and the **D.-B. D.-E. CLUB**. The purpose of the **D.-E. CLUB** is to develop an insight into the world of business, and to establish leadership and social understandings.

Some of the business firms co-operating with the school are J. Fred Johnson and Co., Nettie Lee's Boy and Girl Shop, Charles Store, Betty Gay, Dobyns-Taylor, Joseph Jewelers, Morgan's Shoe Store, Kingsport Shoe Store, Kingsport Laundry, Kingsport Times-News, Watson Electric, J. C. Penny Co., Oakwood Market, Number 2, and W. T. Grant Company.

Peggy Kiser, busily working at the Kingsport Laundry, and Bill Leedy, employed at Kingsport Times-News, are representative of the Clubs' members, all of whom are a part of the business world.

The Y-TEENS, a younger branch of the Y.W.C.A., is a club open to any girl who wishes to join. The two divisions of the club work with their sponsors, Miss Reed, Miss Groseclose, and Mrs. Layne, to build character and leadership in Christian girls.

Pictured at left are the efficient Y-TEEN secretaries, Nancy Patterson, Margaret Denise, and Paula Rowland, who keep records of all club events.

Nancy Denton, with help from George Reed, is presenting a morning devotional, which the Y-TEENS sponsor throughout the year.

Reminiscing in the Y-TEEN scrapbook are Vice-President Bobbie Reams and Joyce Blankenbeclar.

The Y-TEEN'S presidents, Martha Meyer and Kay Churchill, the Vice-Presidents, Secretaries, and Treasurers, Barbara Mercer and Eleanor Taylor, meet with a group of committee chairmen every Monday to plan club activities.

Fall, Winter, Spring,  
our intramural program  
affords all students an  
opportunity to partici-  
pate in competitive  
sports.

Some intramural events  
are softball, shuffle-  
board, track, wrestling,  
badminton, tennis, golf,  
volley ball, horseshoes,  
bowling, ping-pong, place  
kick, touch football, and  
free throw.

## WINTER

left memories of . . . the Senior Play entitled "Jo's Boys," square dancing at the Y-Teen's annual Barn Dance, and Christmastime, when the Student Council hung festive wreaths in the windows, and caroling by the Mixed Chorus filled the halls of old Dobyns-Bennett with the holiday spirit on the last day of school. . . Then came parties, dances, family get-togethers — and finally old Santa Claus. . . After a joyous holiday we faced a grim future — exams. . . Afterwards basketball occupied most of our time, and we looked forward to spring with the satisfaction of having our basketball team win third place in the State.

*Left to right — B. Gott, R. Thomas, S. Basinger, A. Anderson, J. Edwards, B. Tice, F. Teets, B. Howard, L. Carter, E. Taylor, E. Carpenter, and J. Palmer.*

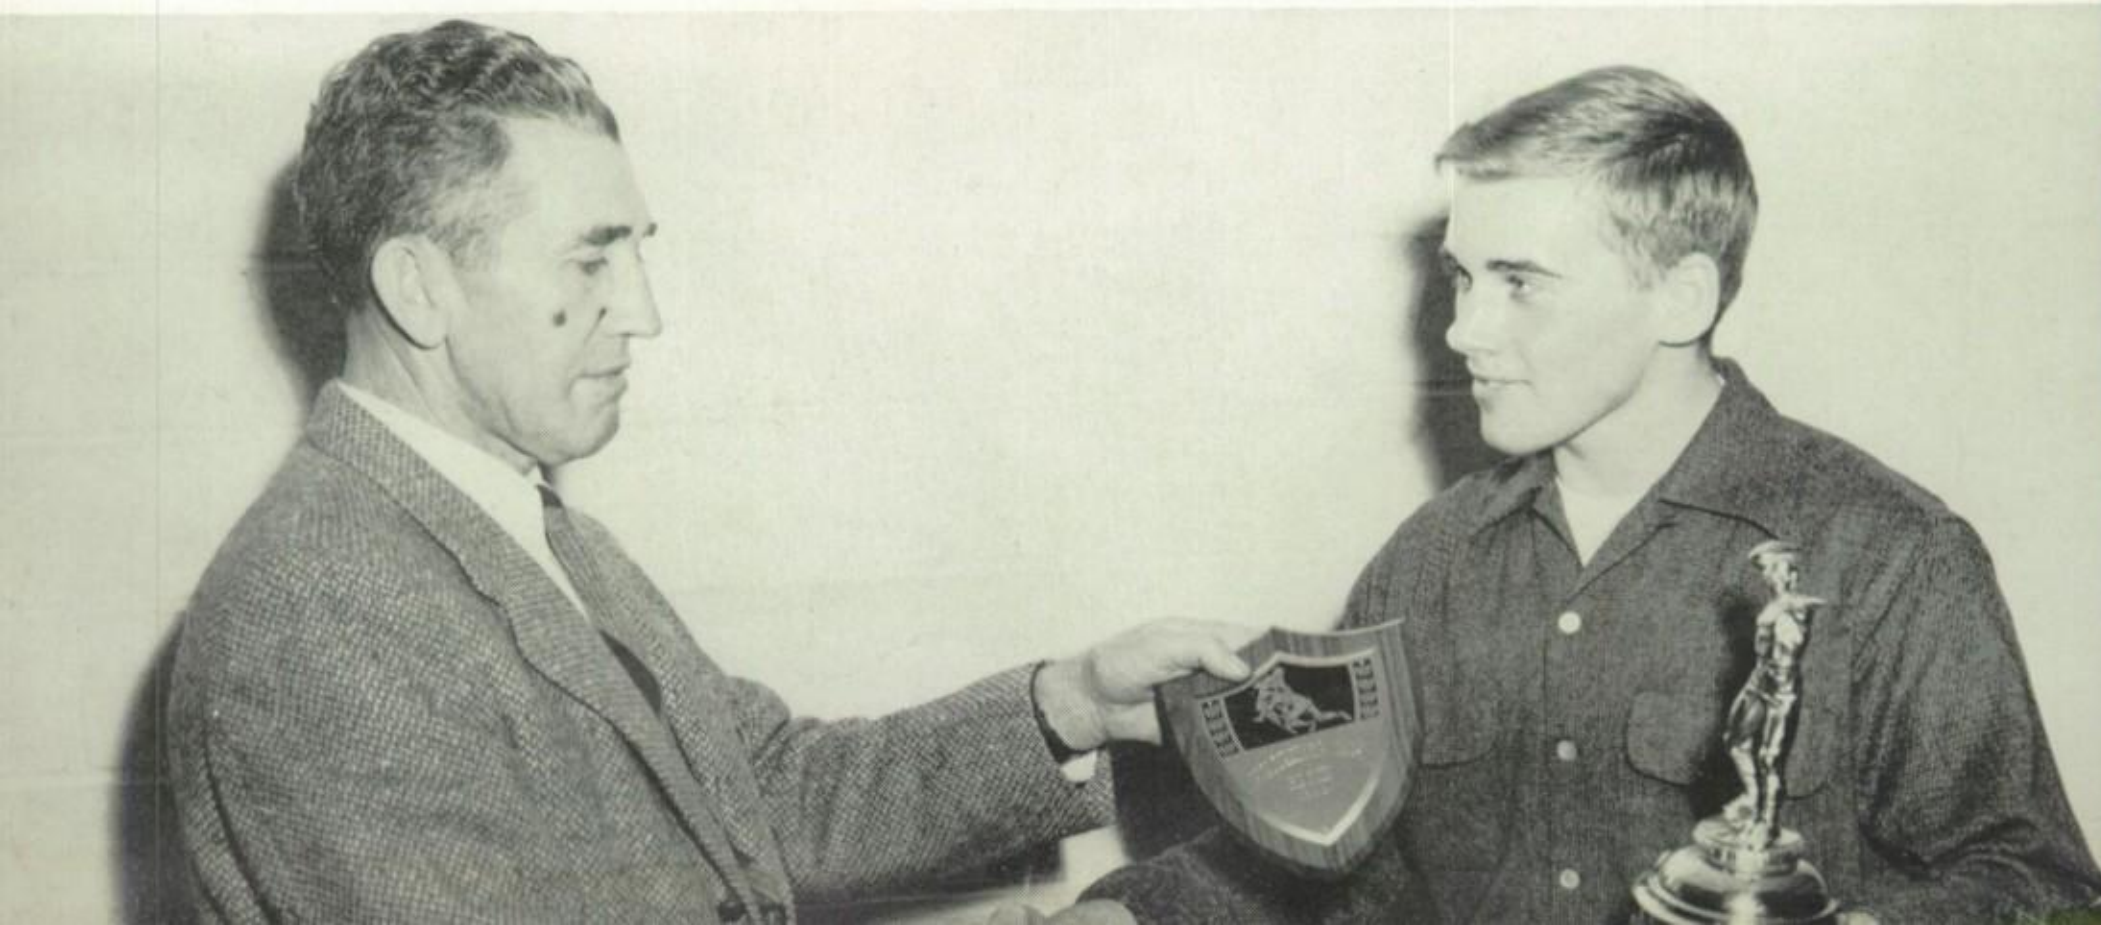

We have offers from Atlas.

**JUNIOR CLASSICAL LEAGUE** members, Dickie Pecktal and Eddie Stuart, are loading the last item which is bound to bring a Merry Christmas to some needy family. Besides the annual Christmas project, the club sponsors Latin Week, a radio program; and it sends students to the National Junior Classical League Convention, to be held in Texas this year. With Lucy Crymble and Jeanie Ballard, as consuls, the club operates just as did the Roman Senate back in 40 B. C.

Dobyns-Bennett won the **FOOTBALL SPORTSMENSHIP TROPHY** this year. Coach E. W. Brown of Johnson City presented the highly prized award to Forrest Teets, President of the Student Council.

Congratulations to us.

Here is Lebanon, the country in which I was born.

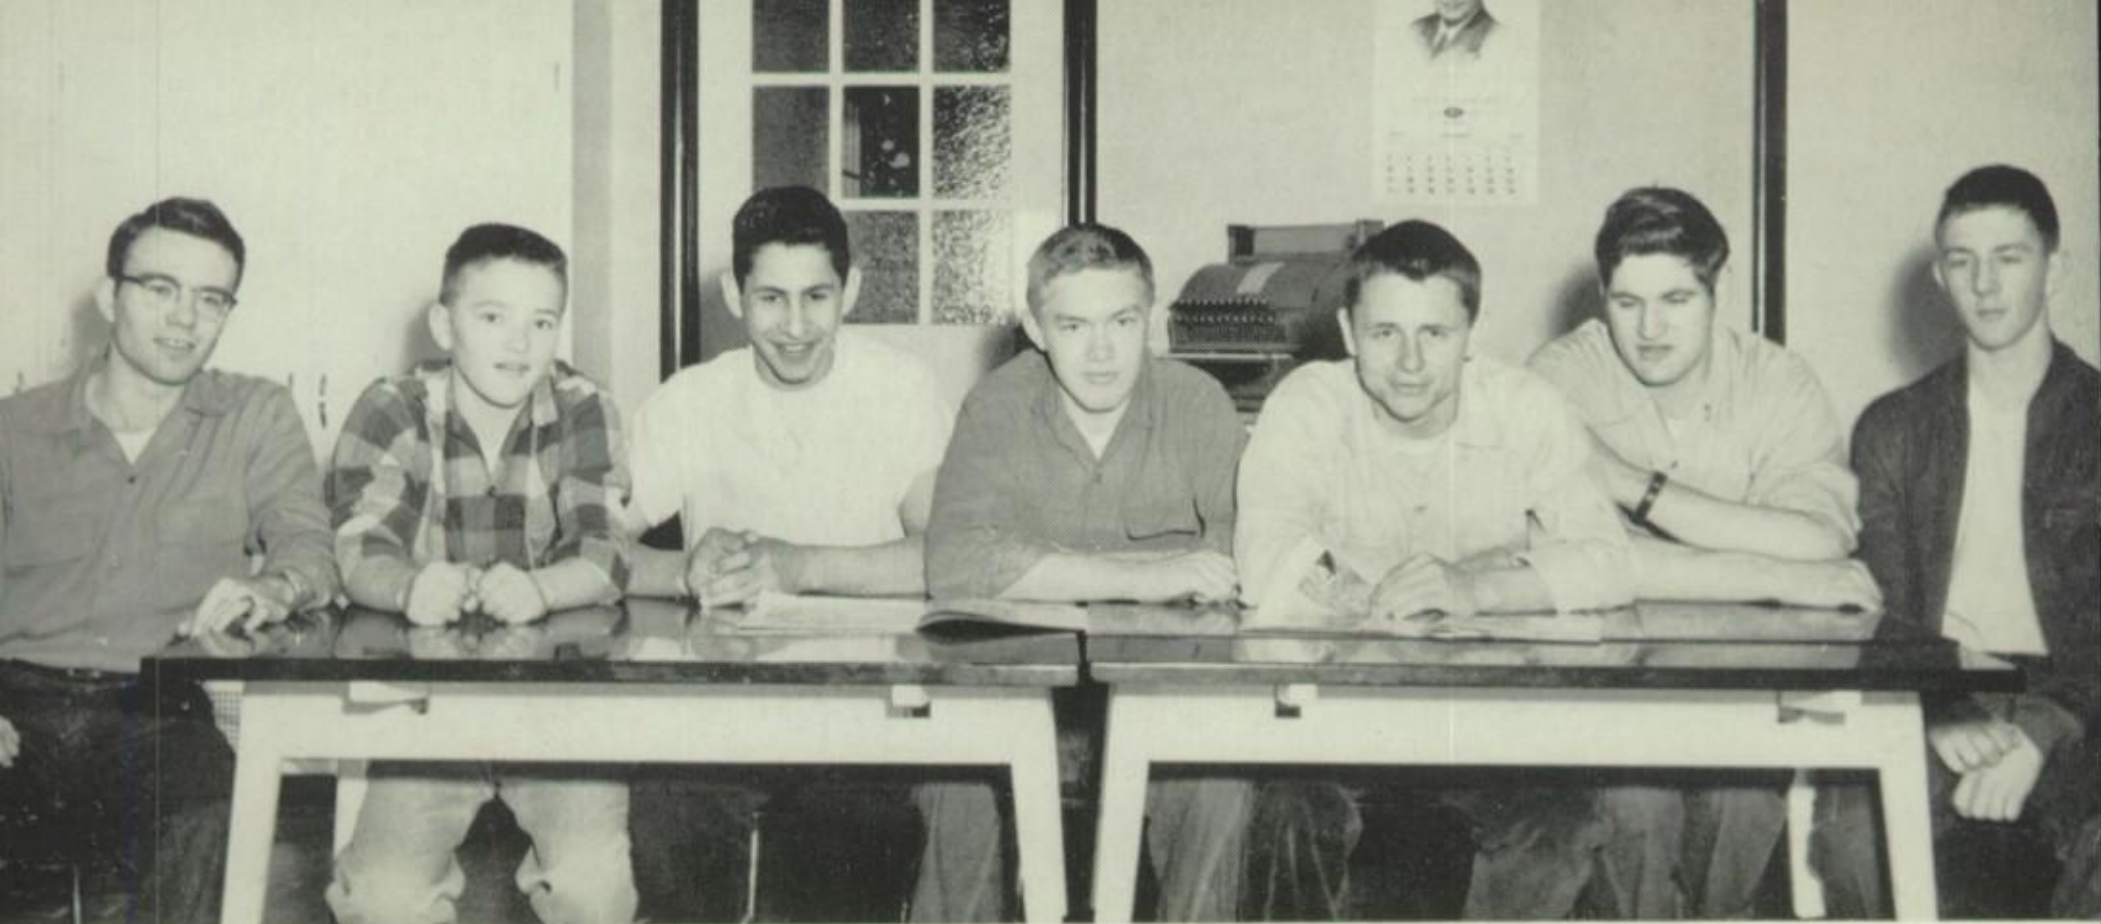

The **TRAVEL CLUB** is an organization for freshmen designed to broaden their concepts of the world in which they live. Officers of the club are Bill Goddard, President; Glen Light, Vice-President; and Ronald Hubbard, Secretary. An entertainment committee provides guest speakers and films to carry out the purpose of the club.

The Dobyns-Bennett **COMMERCIAL CLUB** is offering commercial students an opportunity to broaden their experiences. Learning about office manner and business courtesy, and developing office proficiency are the purposes of the club. **THE COMMERCIAL CLUB** is sponsored by Mrs. Ruth Montgomery and its officers are Shirley Fulkerson, President; Jo Cochran, Vice-President; Iva June Joyner, Secretary; and Marcia Stroud, Treasurer.

The minutes of the last meeting are . . . . .

Left to right — H. Frazier, B. McHorris, S. Kassam, J. Gilmer, H. Bullock, B. Stapleton, J. Whited.

Most of Dobyns-Bennett's avid fishermen and hunters are members of the **OUTDOORSMEN CLUB**, whose main objective is to teach the value of intelligent management of natural resources. The club endeavors to promote sportsmanlike methods of hunting and fishing, to further an interest in outdoor sports, and to encourage safety afield and afloat.

The club is sponsored by Mr. Robert DeVault and its officers are Group I: Joe Gilmer, President; Harry Bullock, Vice-President; Harold Frazier, Secretary-Treasurer; Group 2: Kenneth Estes, President; Sam Kassen, Vice-President; Group 3: Jerry Gilmer, President; Bill McHorris, Vice-President; Johnny Whited, Secretary-Treasurer; General Officers: Secretary, Obert Noble; Treasurer, Bill Stapleton.

"I'll swang, Ma," said the farmer peeping in the door at the Civic Auditorium about 3:00, "Hain't thar goin' to be a shindig in this barn" — the Y-TEENS held their annual Barn Dance. Betsy Latimer and her committee were even able to fool the farmer with their realistic decorations.

Winners of the annual "Mr. and Miss Hayseed" contest, M. Meyer and S. Johnson, are pictured with B. Goat — see what we mean by realistic decorations?!!!

The music of the D.-B. **MIXED CHORUS** hath charms to soothe the savage beast — it even held under a melodious spell the judges at the Music Festival in Knoxville. Proof of this is the number of A-1 ratings

**MADRIGALIANS** — A group of ten voices, chosen by Miss Hutchinson, make up the Madrigalians. To be a member of this select group is the height of any music lover's desire. The Madrigalians are in popular demand, singing at Civic Clubs, parties, and dinners.

Cheering the basketball team on, our cheerleaders traveled to Nashville, to see the boys win over Memphis Treadwell for third place in the State.

*STAN has really been fun knowing and working with you. I hope you develop fine play on sure. Don't forget and keep your feet together. You never have in the annals of time and since the state and saw the team.*

*I have really enjoyed playing with you. Be good will. Postman all the times we had. Lets put you together. You never have in the annals of time and since the state and saw the team.*

*Be good will. Postman all the times we had. Lets put you together. You never have in the annals of time and since the state and saw the team.*

*Be good will. Postman all the times we had. Lets put you together. You never have in the annals of time and since the state and saw the team.*

Glorying in a night's victory, we all congregated in the cafeteria after the basketball games for a little celebrating.

Dancing after the basketball games

*Left to right — M. McNally, S. Basinger, K. Churchill, N. Coffin.*

The ushers at the ball games, occupying the seats of honor, are members of the **BETA CLUB**. Their activities also include the State Convention, and a Christmas party for the residents of The Sullivan County Old Folks Home.

The officers: Carlton Crane, President; Linda Hayworth, Vice-President; Kay Churchill, Recording Secretary; Shelby Outlaw, Corresponding Secretary; and Lee Marsh, Treasurer; under the sponsorship of Mrs. Mary Johnson guide and direct the movements of the club.

Students are eligible for this club if they maintain a B average and are elected by their classmates. The **BETA CLUB** strives to maintain standards of leadership, scholarship and character.

"When THE SAINTS Go Marching In," everyone knows that some good music is in store for them. This little band composed of Freddie Fletcher, Paul Tamblyn, C. M. Chandler, George Reed, Bill Alvis, Jerry Day, and Phil Kress, is really an addition to our school activities.

Spanish Club Meeting

"Adios Amigos." No, you're not in Spain. That's just members of the **SPANISH CLUB** practicing their lessons. This club was organized to develop a better understanding of Spanish speaking peoples and to encourage a friendly relationship with them. The officers are President, Diane Huddle; Secretary, Peggy Maddux; and Treasurer, C. M. Chandler. Mrs. Dorothy Dye sponsors them in their activities: two radio programs, club participation in all school projects, and a picnic in the spring.

The **CARVING CLUB** was organized to create an interest in a useful and profitable hobby. They have no officers, but meet to whittle and carve various small objects. The sponsors are Mr. Kennerly and Mr. T. C. McConnell.

Activity in the Carving Club

When we began handing in our slaved-over term projects with crossed fingers, we realized that the first semester was almost over — My, how time flew!!

Left to right — D. Gift, J. Dobyns, M. Meyer, Miss Ewalt.

*At the end of the first semester we realized we should have worked harder. Then that old "jinx" — exams descended on us. We stayed up late and worked ourselves in-*

Left to right — M. Hickman, N. Starnes, F. Cardwell, E. Goings, E. McDaniels, J. Haws, J. Harville, J. Albert, H. Cook, W. Curran, G. Lord, W. Childress.

The long-awaited time had arrived for D.-B.'s typing students, fingers were flying and brains were alert as they hurried to finish their exams.

It seemed like only yesterday when we were planning to start studying earlier, so there would be no need for that "nervous" cramming — but here we are — you guessed it, cramming!

*stars! But I don't  
to a good guy! I don't  
sign this thing  
because I don't  
ugh pictures and my  
good me! J. Smith*

Left to right — J. Smith, S. McNeese, J. Lott, J. Heck.

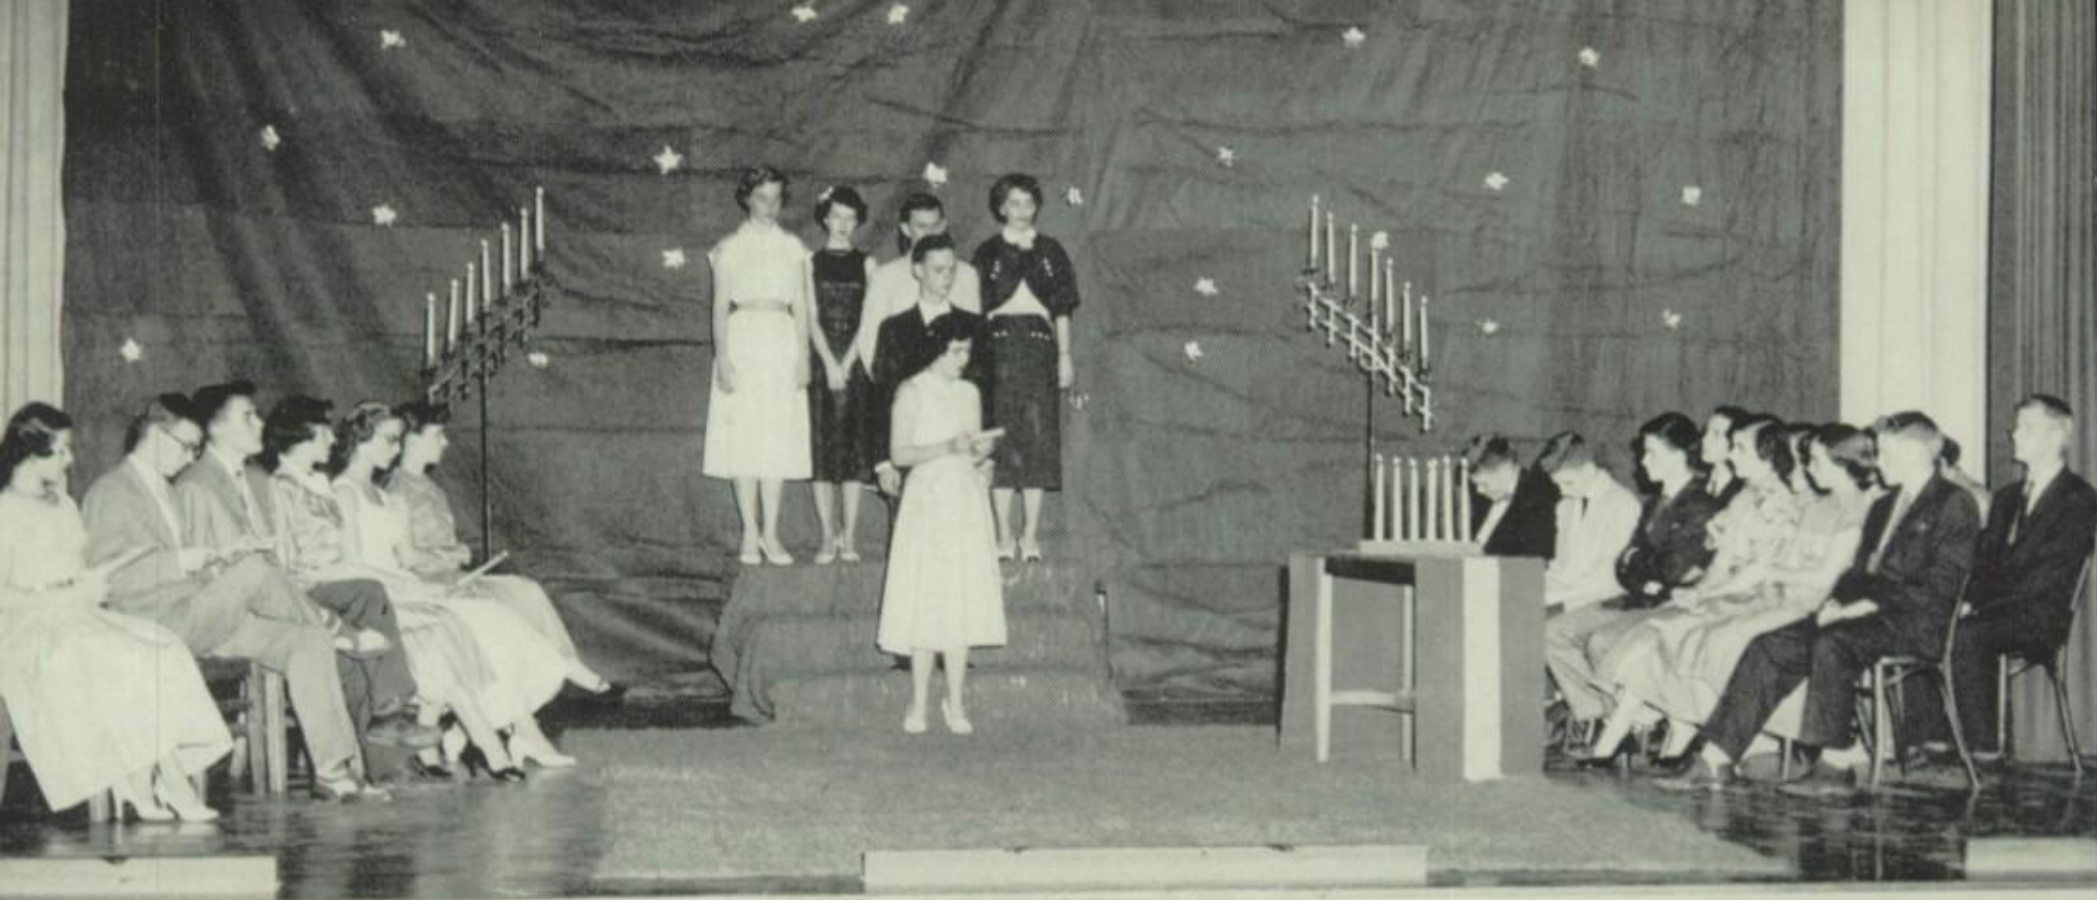

*to a nervous frenzy; but after it was all over, we agreed that it hadn't been too bad, and maybe some of us had passed.*

Left to right — B. Rule, B. Tice, E. Taylor, R. Walsh, Mr. Elliott.

Then came the "judgment day" . . . we received our report cards . . . some, accompanied with sighs of relief, others with groans of despair, but we were all glad the ordeal was finally over. Settling down, we began the 2nd semester.

I can't believe it — I finally made Thespians.

In the spring a young man's fancy lightly turns to thoughts of — **THESPIANS**. That's the time when they hold their annual initiation. Prior to this season everyone is busy compiling the necessary ten points to become a member. These points are earned by participating in plays, radio programs, and readings. The officers are John Palmer, President; Locke Carter, Vice-President; Sara Lou Basinger, Secretary; and Beverly Howard, Treasurer. Miss Nancy Necessary is the sponsor.

The most outstanding literary artists in town belong to the **QUILL AND SCROLL**. This is an honorary club for students who have done exceptional work on either the Maroon and Grey or the Indian Tribune. This club does not have officers or meetings.

Row 1, Left to right — N. Jones, B. Hague, T. Bear, J. Ballard, S. Basinger.

Row 2, Left to right — W. Campbell, S. McNeese, L. Patrick, J. Wilcox, S. Leeper, B. Latimer.

I've run out of staples — Where's the hammer — May I use the ladder? — Ouch, I hit my thumb!

The Executive Board of the **STUDENT COUNCIL**, made up of the officers of the club, meets every Wednesday to plan club activities. Out of the planning and working of this group grew the delightful theme of their dance, "Two Hearts in Three-Quarter Time." Red and white streamers, hearts, and cupids were artistically combined to make the dance one of the best yet.

Soft lights and sweet music, and you in my arms.

Join the March of Dimes — Thank you.

**Y-TEENS**, Margaret Gruver and Jane Compton, serve the community by collecting money for the March of Dimes drive. Every year the **Y-TEENS**, not only help out in town, but also conduct the drive at Dobyns-Bennett.

The club members gave up their free time every Saturday during February to serve this worthy cause.

The **HI-Y CLUB** offers recreation for its members by sponsoring inter-club basketball games. In the picture below, the Alpha basketball team is "warming up" in preparation for its game with the Beta team.

What manly physiques!

J. R. Rutledge, A. Quarry, H. Bailey, Z. Musser, S. Starnes.

The **FUTURE HOMEMAKERS OF AMERICA** is an organization open only to girls enrolled in the Home Economics classes. The club endeavors to promote appreciation in the joys of homemaking, to work toward good home and family life, and to further interest in home economics. The **F.H.A.**, sponsored by Miss Lucille Massengill and Miss Geneva Robertson, presents a pay assembly program each year to raise money. The officers of the club are Group I: Jimmy Ruth Rutledge, President; Amelia Quarry, Vice-President; Group II: Zareda Musser, President; Phyllis Saylor, Vice-President; Officers serving both groups: Randal Long, Secretary; and Wanda Boyer, Treasurer.

"I wonder how this will taste."

"I hope this pattern fits."

Parlez-vous Francais? Our second year French students do!

## SPRING

left memories of . . . struggles with "Spring Fever" in class, exciting track meets, watching home runs by the baseball team, elated Juniors sporting brand new class rings, and a group of tired Seniors with many "tales" to tell, returning from their trip to Washington. . . Of course, we can't forget the season's highlight, the Prom . . . the anticipation was almost as much fun as the realization! . . . There are also memories of Seniors, enjoying their Class Day . . . and finally the stately strains of "Pomp and Circumstance" as the Senior's four years in Dobyns-Bennett were brought to a close.

Where is that monkey-wrench?

Another Rembrandt or Michalangelo is in the making.

We were proud that our school could offer us such a variety of subjects.

During the spring semester we struggled to keep our minds on our work . . . must have been that old "spring fever" ailin' us! However, we managed to stay "awake" long enough to study in French class, work in shop, relax in art, and stop for a bite in Home Economics class.

Yum — Yum

Working with Bev and Forrest on a Physics experiment is Larry Lee, a Korean boy, whom we were glad to have attend Dobyns-Bennett with us this year.

Larry is living with Mr. David Walkey, whom he met while Mr. Walkey was serving in the Army in Korea. In his country he attended Kyung-gi High School.

"Guffaws" and "giggles" filled the auditorium as the Sophomores presented a hilarious comedy production entitled "Sally Takes A Bow." The proceeds from the play went to the Sophomore Class, which has already begun its money-making campaign.

With the arrival of Spring, the enchanting melodies emitted by Miss Hutchinson's Choral Department are heard within the halls of Dobyns-Bennett as they prepare for their annual Spring Concert. Participating in the concert are the **GIRLS** and **BOYS GLEE CLUBS**, the **MIXED CHORUS**, the **ENSEMBLE**, and the **BOYS QUARTET**.

Remember last Spring when we all took a "quick trip to India" conducted by Mr. Chet Dickson? This visit to India was only one of the entertaining and educational programs presented at Dobyns-Bennett through the Southern Assembly Programs. A Dobyns-Bennett Senior, Gay Linn, models the typical Indian dress.

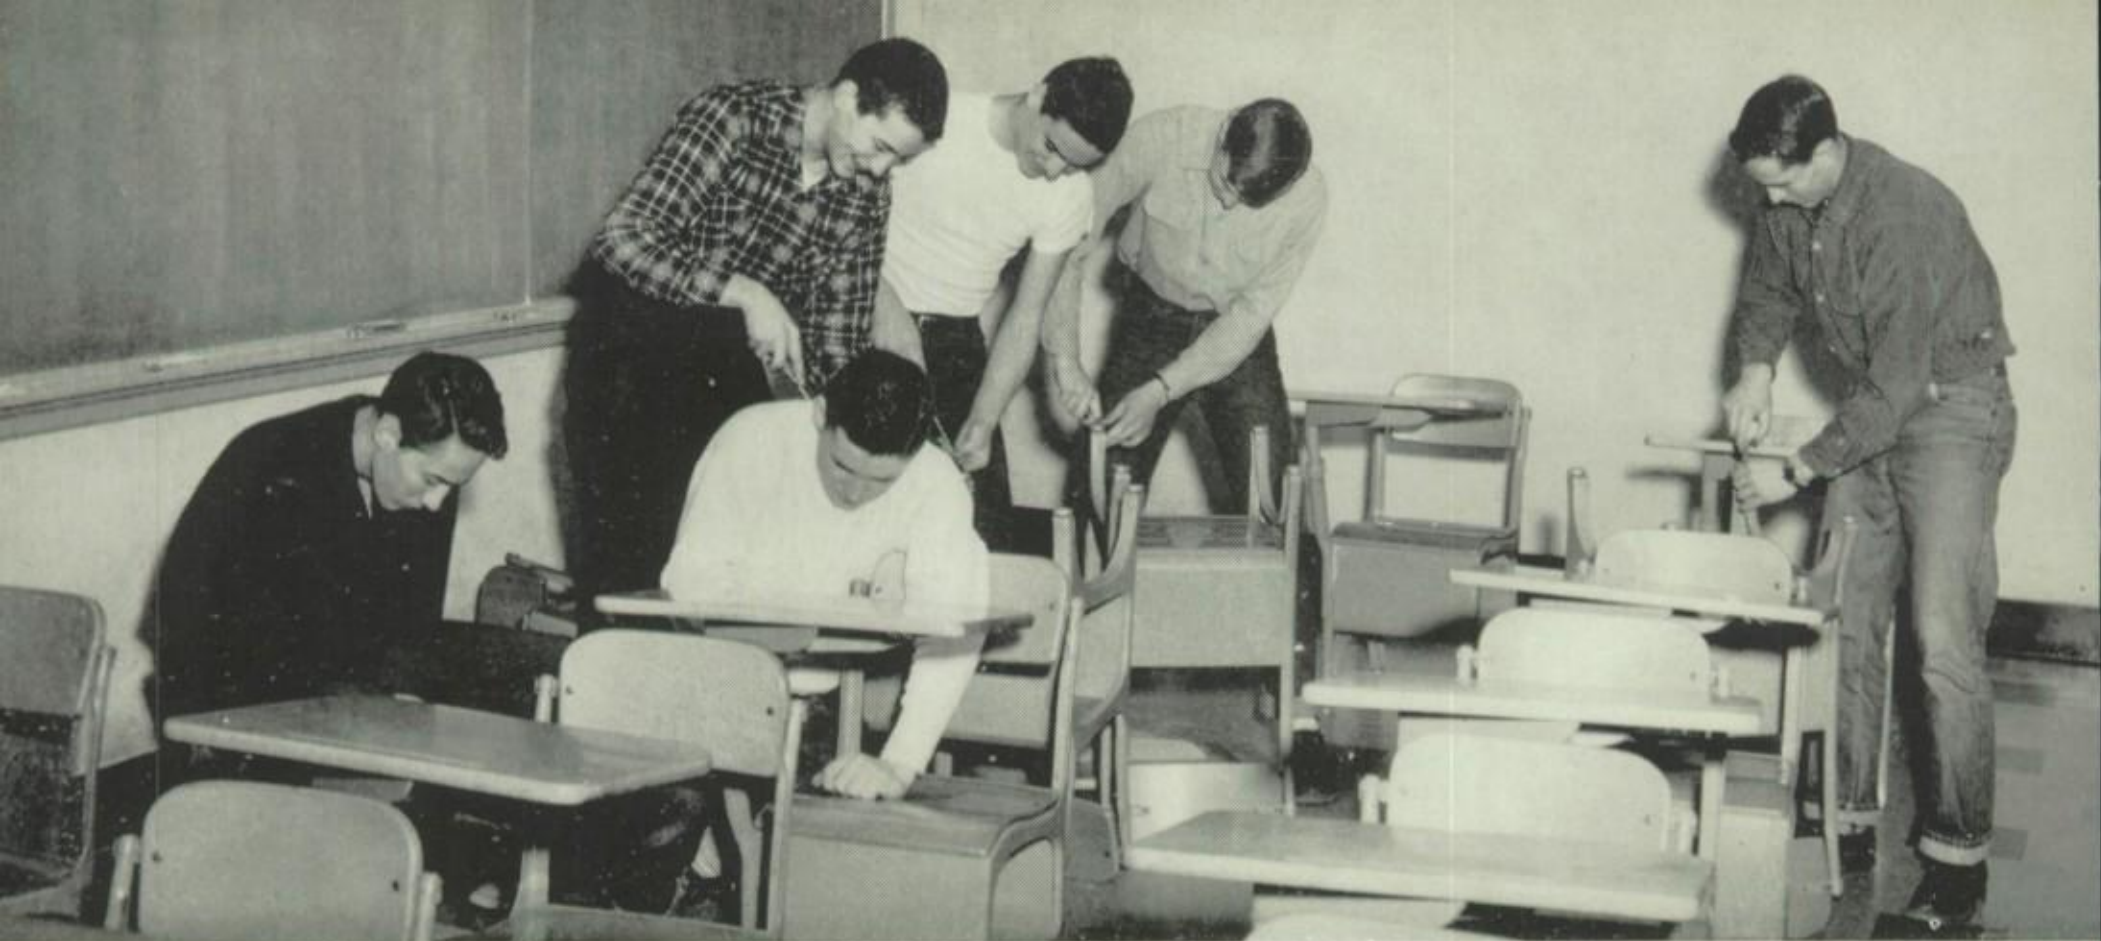

Left to right — C. Brooks, R. Britts, W. Nix, C. Crane, E. Preston, E. Taylor, Z. Overbay, B. Tice, G. Nidermaier, D. Brown, P. Taylor, B. Hague, P. Hicks, L. Marsh, S. Childs, B. Howard, N. Sims, S. Outlaw, B. Chambers, B. Gott, B. Latimer, P. Macbeth, G. Linn, L. Dryden, J. Cleek, A. Peter.

For the fortunates who have been endowed with superior minds, Spring is accompanied with the thrill of being admitted and initiated into the **NATIONAL HONOR SOCIETY**.

Another sure sign that Winter is gone for a while is the presentation of the Spring Concert by Dobyys-Bennett's **CONCERT BAND**. Every student who is in Concert Band has tried out before his director Mr. Paul Oxley.

"Now where did I put that . . . . screw?" As a part of their campaign the Key Club boys repair the desks in Miss Nisbett's room.

The club members devoted several Saturdays to this much needed and appreciated project.

*While some brave souls worked — the rest of us played—*

Famished from a "hard day at work," we hurry down to the local "hangout," Armour's Drugstore, to eat and catch up on the latest news.

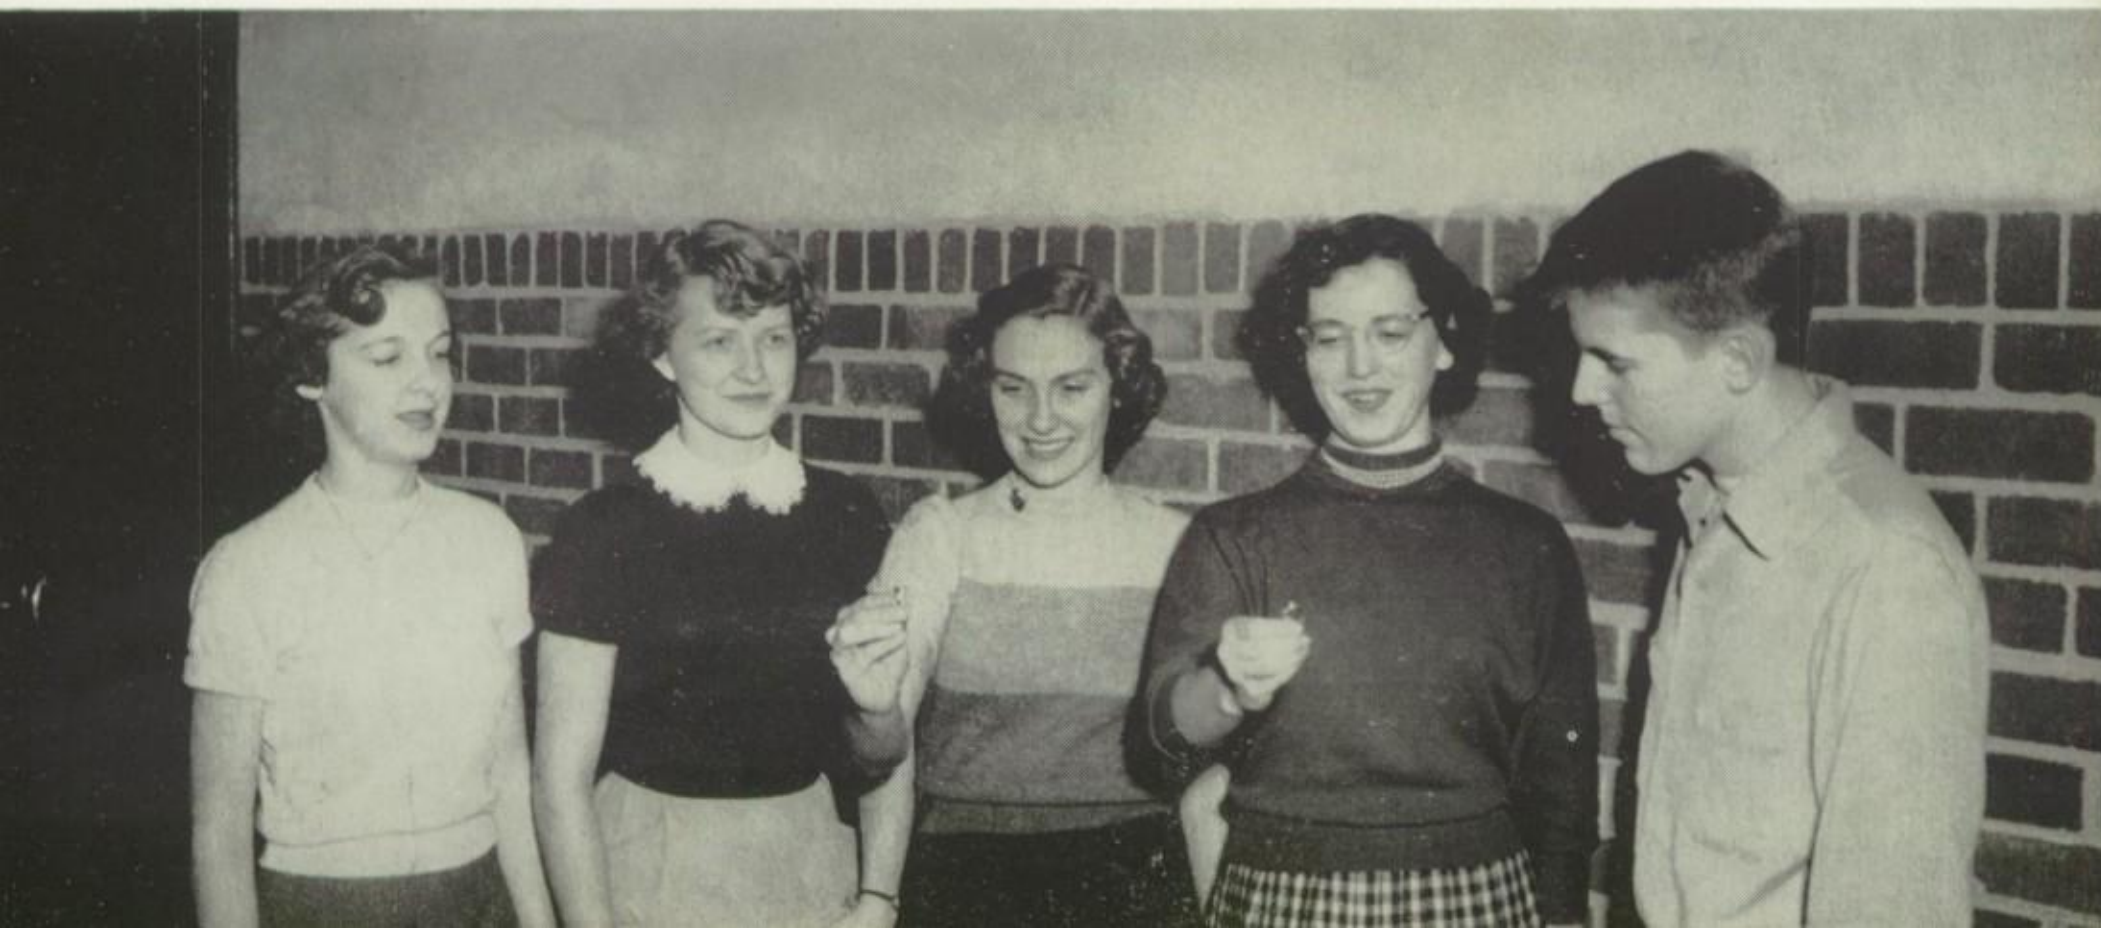

Left to right — M. Guthrie, B. Heck, S. Moran.

"Will you sign my annual, please?" Along about May this is the most commonly heard phrase in school . . . so fill up your pen and sign this annual.

*The underclassmen were thrilled with their annuals — and the Juniors were thrilled with their rings.*

Our proudest possessions! At long last we, too, can wear the most longed for ring (except wedding) of our life.

Left to right — K. Helvey, H. Sims, N. Denton, M. Denise, D Jennings

"I wonder if Dale will like this dress"

"I wonder if Susan will like this suit"

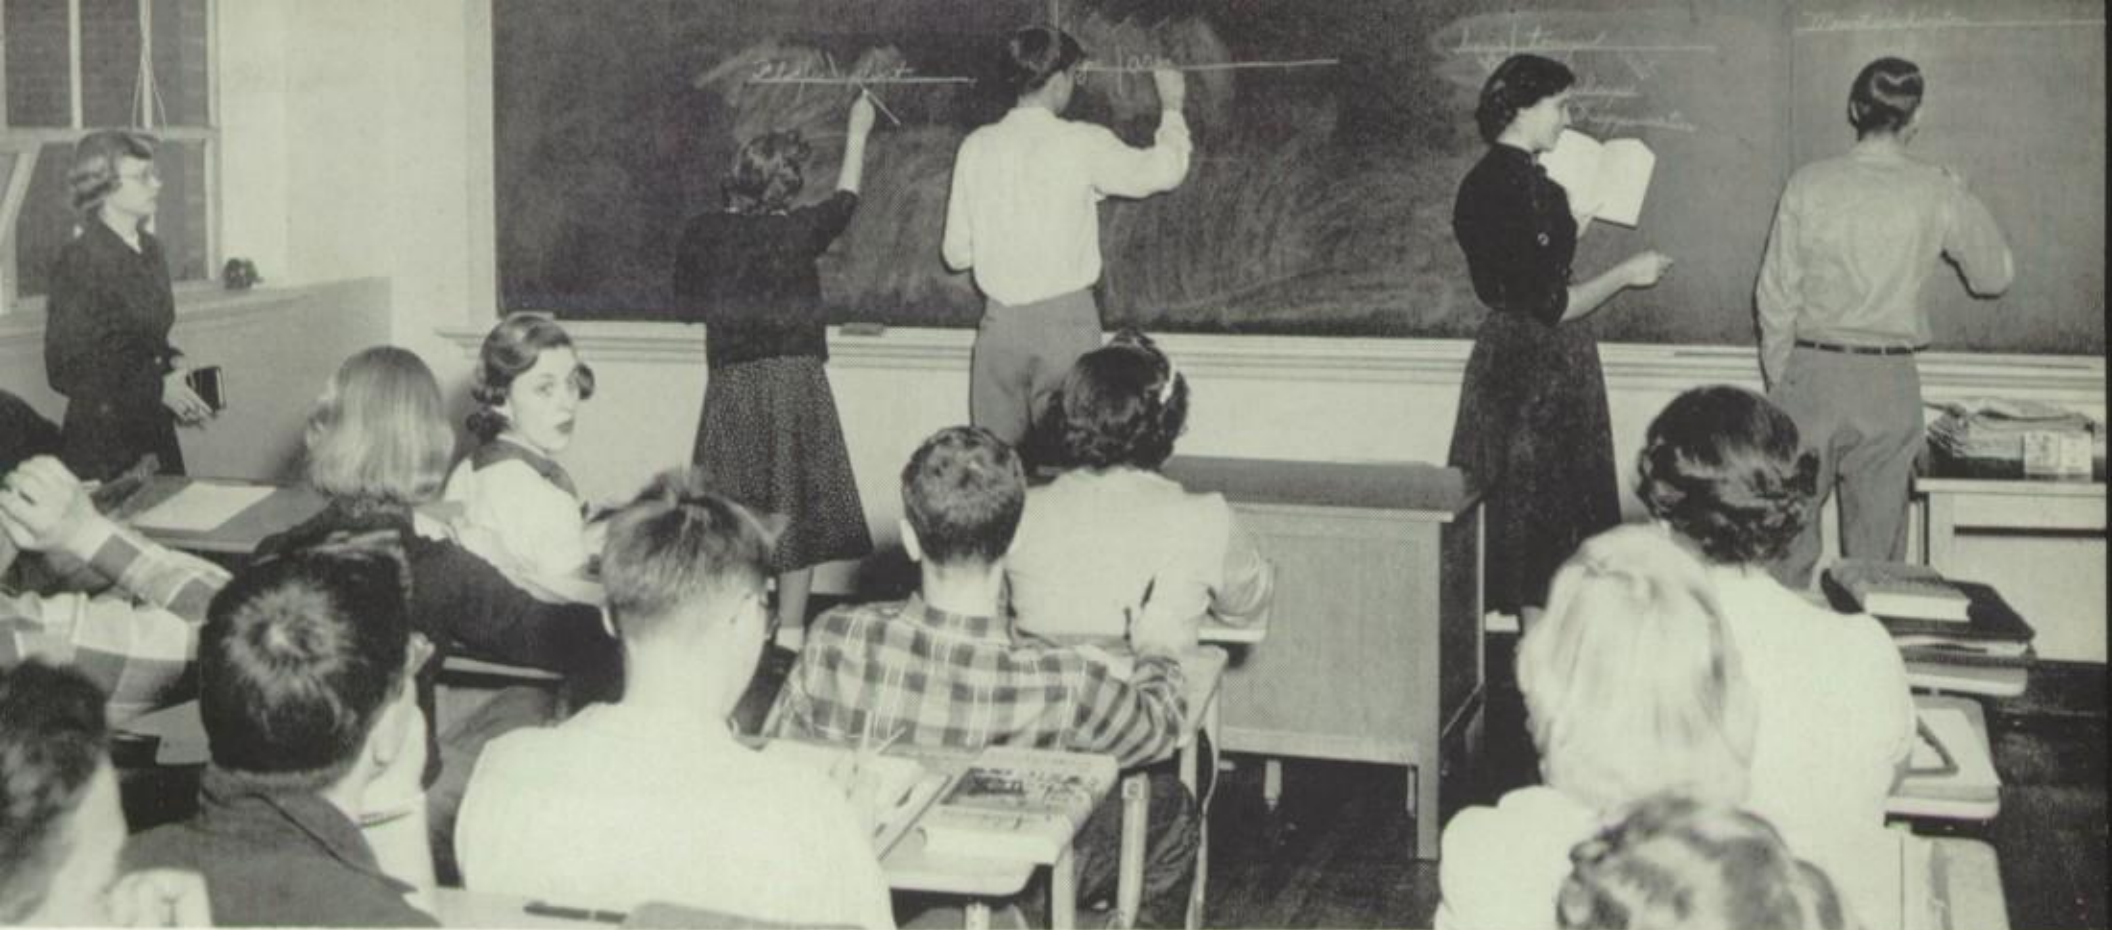

We all wanted to look our best on **that** special night — the most important night of the spring semester for the Juniors, second only to graduation for the Seniors.

"Come Dance With Me." That lilting song reflects the mood of the most gala of all nights — the Prom. The soft lights and sweet music at Ridgefields Country Club crown the social life of Dobyns-Bennett students.

The night we had waited for all year finally arrived.

"Does it go here, or here? Gosh, I've got to learn how to do this before the exam!" . . . . . these little phrases typify the trend of thought in Miss Beesley's Sophomore English class when May 31st rolls around.

*Professionalism is a nice thing to have on the job*

*Best of luck to a well guy. Remember class and the good times we had. Will go all the way next year*

Preparing to show a football movie are five members of the **SPORTS CLUB**. The purpose of the **SPORTS CLUB** is to provide an organization for boys interested in all types of sports. The programs of the club consist largely of outstanding sports events.

*Johnny Parker*

"These things aren't very flattering, but I'd wear a potato sack to graduate!"

When the school's last lesson is mastered, and the classes are tested and tried;

When the stupidest student has vanished, and the dullest has stepped aside;

We shall rest—and faith, we all need it—we shall rest for a moment or two,

Till the wonderful school of Experience shall set us to work anew!

(Apologies to Kipling.)

We entered Dobyns-Bennett on September 8, 1953 with a little anxiety — would the upper classmen be nice to us? — Would we get lost in this monstrous building? — Could we pass our subjects?

But after a month or two we found that all that worry was silly. We were getting along fine.

There was only one thing that was not exactly in our favor — Since we were the largest class ever to enter D.-B. (ahem!) the auditorium couldn't hold us all. That

Excitement filled the air as we waited for the outcome of our first class election.

meant the upper classmen would have to take turns attending assemblies with us.

We felt a little left out when the Juniors got their rings, and the Seniors went to Washington, but the thought that soon we would be in their shoes, cheered us up.

June the 7th rolled around. We had completed an eventful year and looked forward to our Sophomore year, when no one could call us greenies!

# SOPHOMORE CLASS HISTORY

## Freshman Year:

We came to Dobyns-Bennett in the fall, not knowing what to expect, who was here, or if the teachers were as hard as everyone said. We soon came to feel at home and elected our officers with David Lionberger as president.

Everyone was nice to us, and we really relaxed at the Barn Dance. At the Student Council Dance we put on our best clothes, and you could hardly tell us from Sophomores.

We "graduated," feeling as if our year had been the best yet in school.

## Sophomore Year:

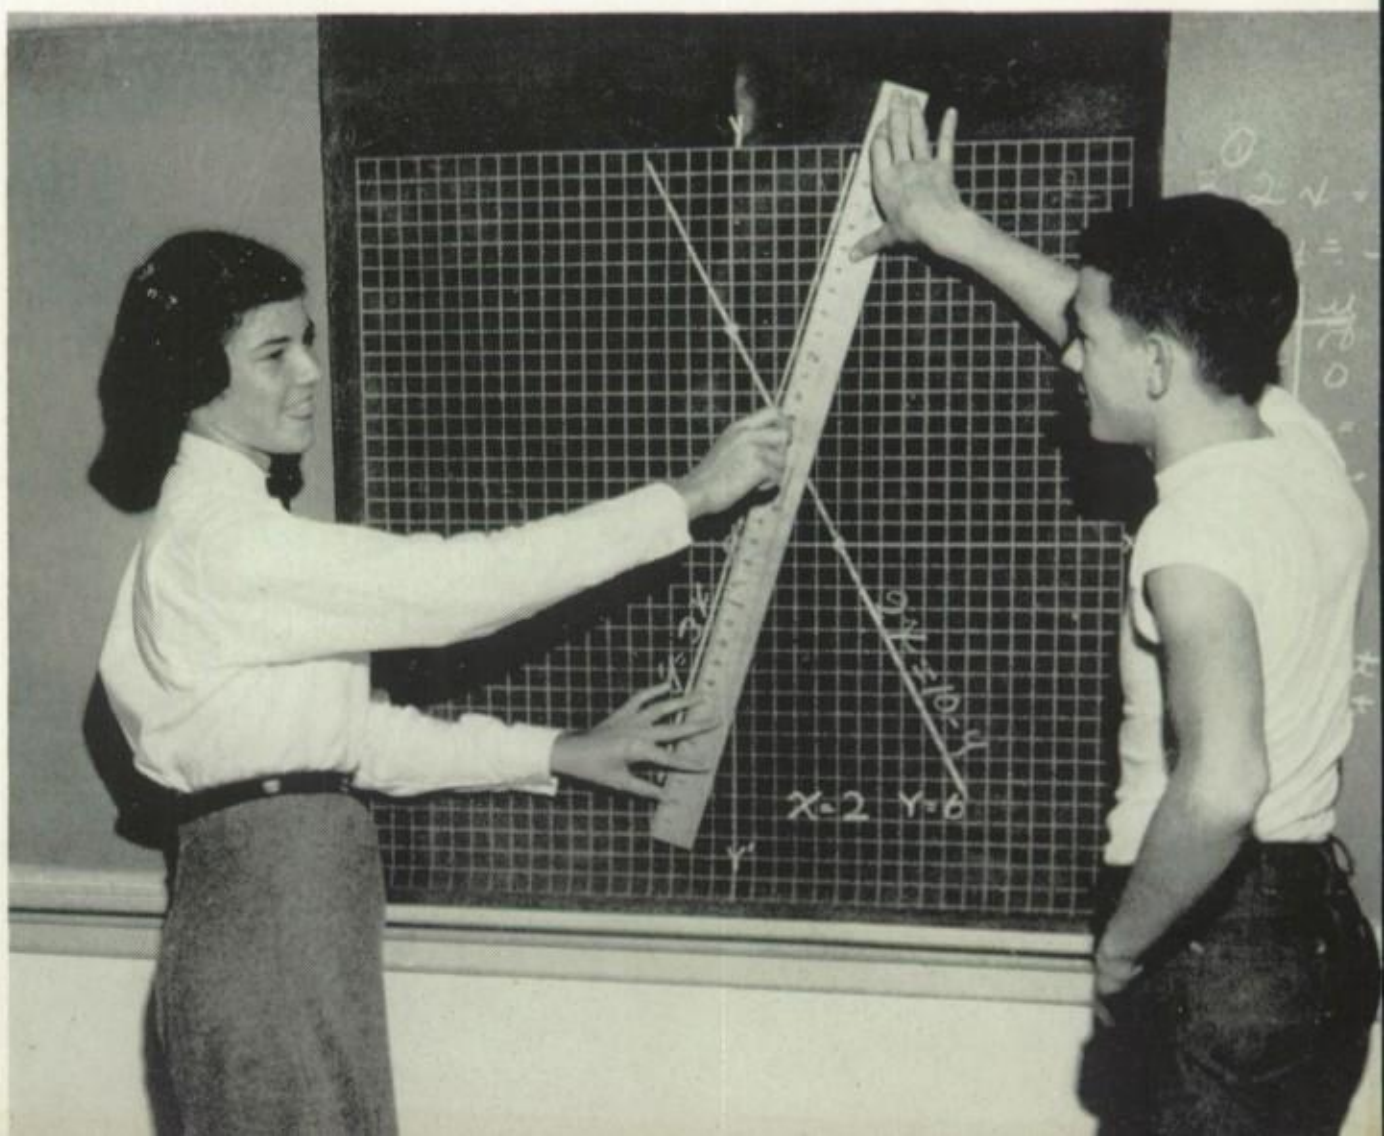

"You freshmen may shine our shoes," we announced grandly . . . but none of them did. At least, we thought, we were important then, even if no one else did.

We showed we were a progressive and modern class by electing Nancy Patterson, president. This must have set some kind of record, but we were proud of our officers.

In looking toward the future, we gave a play! All the monetary benefits to go to our treasury, of course. We also partook of the time-honored custom: Magazine Sales.

Everything was "old hat" to us by this time so we looked forward to bigger and better things next year.

# JUNIOR CLASS HISTORY

## Freshman Year:

We came to Dobyns-Bennett in 1951 before school really started. The Student Council had an Orientation program to help us find our way around a little better.

Class Conventions were quite a novelty to us, and we had fun participating in our class elections. We chose Bill Greene as President.

By the second semester we were beginning to feel like we were really important characters . . . unfortunately, no one else did!

We "graduated" from our Freshman year accompanied by many misgivings of teachers and parents.

## Sophomore Year:

With memories of a glorious vacation, we came back to D.-B. and tried to settle down to the "old grind" once more.

We elected Winter Wright as President, Jack Kilgore as Vice-President, Linda Hayworth as Secretary, and Charlotte Lee as Treasurer.

After Christmas, the more talented people in our class presented our Sophomore Play entitled "Antic Spring."

Then spring fever got us, and we groped our way through the second semester — finally the day arrived — school was out.

A. Dryden, President; J. Kilgore, Vice-President; M. Carson, Secretary; N. Denton, Treasurer.

## Junior Year:

Upperclassmen! The sound of that word was music to our ears — it seemed like yesterday when we were Freshmen wandering about Dobyns-Bennett with bewildered looks.

With "red noses" and "numb toes" we wondered about the football stands in below zero weather (at least it seemed like it) selling popcorn.

More popcorn — we sold it at the basketball games and through the district tournament, until we were beginning to feel like millionaires.

Finally, the long-awaited event arrived — we donned our well-chosen dresses and our dark suits for the Prom. The Prom was a big success, so was the Splash Party.

June 8 — school is out! Just think . . . pretty soon we'll be walking out of the auditorium to the sound of "Seniors will rise!"

# SENIOR CLASS HISTORY

## Freshman Year:

In September, 1950 with triumphant spirits and heads high, we proceeded from the halls of Junior High on to Dobyns-Bennett.

We tried hard to imitate the poised manner of the admired upperclassmen—the nonchalant stride of the admired football heroes and the casual smiles of the schools' outstanding beauties.

Although we were called "green freshmen," we showed our wisdom by electing Locke Carter, president.

We finished our freshman year with nothing too unusual happening. We studied and worked, but all in all, we had a pretty good time.

## Sophomore Year:

We entered school with an air of superiority over the humble freshmen.

We elected our class officers a few weeks after we returned. They were an ambitious bunch, and we started selling popcorn a year early.

After exams we had a "sock hop" in which everybody appeared in true D.-B. style — barefooted.

Around the time when our school was evaluated we presented our class play, "Town Hall Tonight," which displayed some real acting!

"But why don't you want to buy a 10-year subscription to the 'Poultry Journal?'" This was the trend of our conversation about the end of school, because we had a magazine drive. We made money on our business venture, which we quickly added to the treasury for our Prom.

## Junior Year:

"Now we had **two** classes to feel superior over!" How wonderful it was to be an upper-classman.

We were super-salesmen when it came to selling popcorn, since we had practice when we were Sophomores.

Our class had a lot of "get up and go." We had class meetings each month to discuss the Prom, and our money-making campaign.

For the next few months, we yelled, "Pu-lease buy some popcorn!" over and over at the basketball games.

Then came the Prom — the event we had been waiting and working for. We also had a marvelous time at our Splash Party.

June 2 — We were finally Seniors!

R. Thomas, M. Meyer, B. Tice, C. Kirkpatrick, B. Dunn.  
Term projects are easier with help from George and Abe.

## SENIOR CLASS OFFICERS

S. Wallace, President; C. Kirkpatrick, Vice-President; J. A. Heck, Secretary; D. Burdine, Treasurer.

## Senior Year:

"Did we really feel like big shots now!" Especially when Mr. Elliott said, "Seniors, rise."

We felt pretty low when we realized we were attending our last football game and frolics. There weren't many dry eyes when the Seniors stepped out from the band.

We had a hilarious (as well as educational) time in Washington—but we had to admit—it was good to be back home.

Then we had our Senior Banquet and Prom — What fun!

As the last few days of school drew near, we were glad we had made it, but sad to know we would never see some of our friends again, never attend classes in D.-B. again, and that the happiest days of our lives had just flown by.

Finally the night of graduation arrived. As we walked forward to receive our diplomas, we knew we would never forget those glorious four years that we spent at Dobyns-Bennett High School.

## SENIORS, REMEMBER WHEN WE:

### As "Fresh" Freshmen

Stumbled into the halls of Dobyns-Bennett in the fall of 1950?  
 Worried about our subjects because we didn't especially like  
 the idea of dissecting frogs, fish, or worms?

Watched the Seniors hold their convention and had one of  
 our own electing Locke Carter President?

### As "Saucy" Sophomores

Came back to D.-B., happy that our "childhood" days were  
 gone forever? We were almost upperclassmen.

Started selling popcorn a year early — My, weren't we am-  
 bitious:

Sponsored a "flop" Sock Hop?

Burned up all the money we made on a Bake Sale?

Rivaled the "Fuller Brush men" in salesmanship when we  
 had our Magazine Drive?

## As "Jolly" Juniors

Gloried in being able to say "we're upperclassmen!"  
 Sold popcorn 'till we hoped we'd never hear the word again?  
 Held class meetings every month because our officers were  
 determined to have our class a good one, and it was, too!!  
 Had a marvelous time at the Prom and Splash Party on which  
 we worked so hard!

## As "Sophisticated" Seniors

Felt so important when Mr. Elliott said, "Seniors Rise."  
 Wept when we realized that we were watching our last foot-  
 ball game.  
 Were proud of our Basketball team when they placed third  
 in the State.  
 Enjoyed ourselves at the Senior Banquet and Prom.  
 Had Class Day.  
 Listened to our Baccalaureate Sermon — and finally we  
 Graduated . . . . . WHOOPEE!!!

**NEW EASTMAN "GLF" DYES** for acetate fabrics assure excellent fastness to atmospheric fumes and light. These superior dyes make it possible for acetate to be used in many new fields.

**TENOX**, Eastman's food-grade antioxidant, keeps lard fresh 14 times longer—retains freshness in baked goods up to five times longer! It is used to combat rancidity in potato chips, vegetable oils, nuts, fats, waxes, beef tallow.

**CHROMSPUN**, Eastman's new made-in-color acetate fiber, has set a new standard of color endurance in fashion and decorator fabrics. It is highly resistant to the usual fading hazards—light, atmospheric fumes, perspiration, crocking, washing and dry cleaning.

**TEPP** is the "vanishing poison" that kills insect pests—then disappears. So fruit and vegetables can be marketed within 48 hours after spraying. Basic chemical—triethyl phosphate—is produced by Eastman.

**ASPIRIN** is no headache to Eastman. No one knows how it works, but Eastman knows how to make its main ingredient—acetic anhydride—economically. So Eastman is a major supplier of this important raw material.

**TENAMENE**, Eastman gasoline additives, help to prevent the formation of gum that clogs fuel lines and carburetors. A single drop in each gallon of gasoline saves costly repairs, is a vital safety measure in airplane fuels.

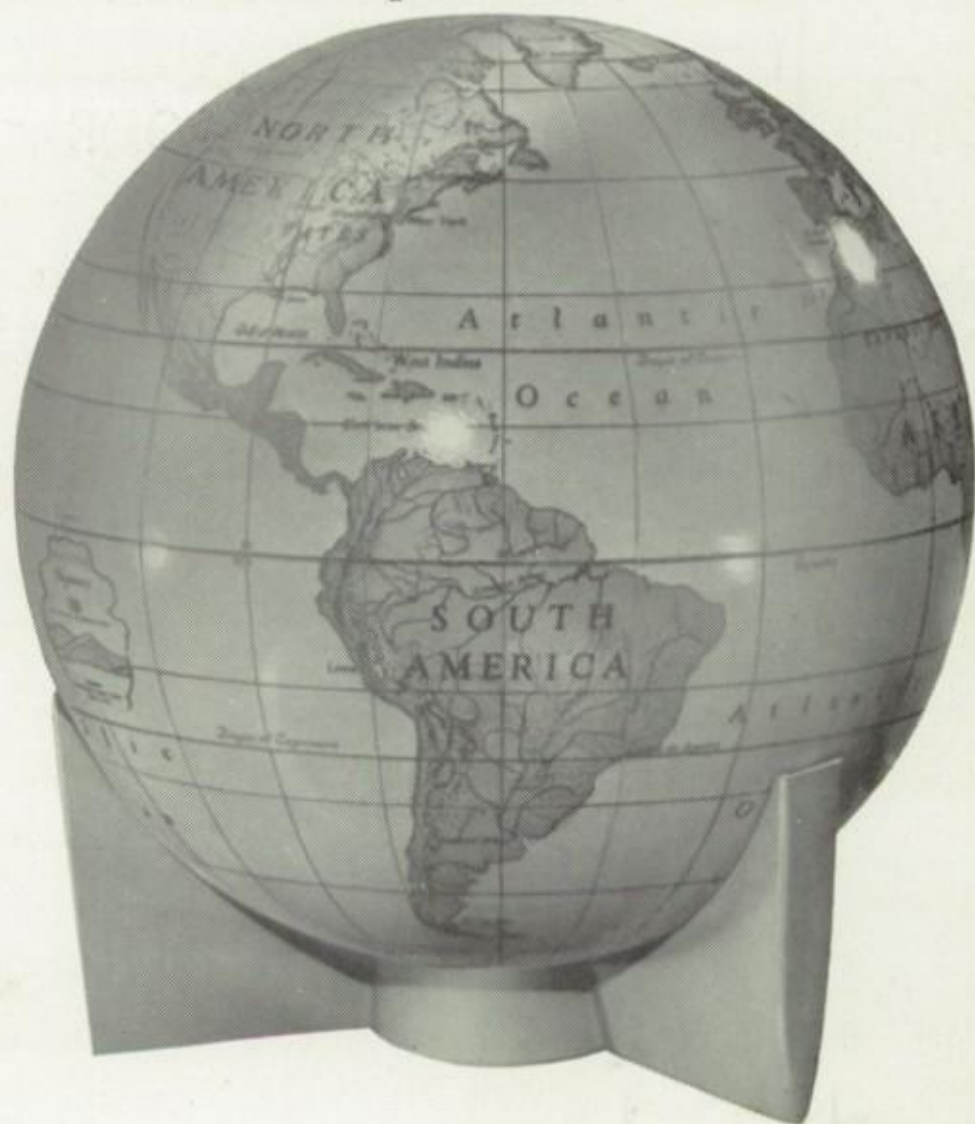

# CHEMISTRY for you to explore...

Chemistry's contribution to modern living is immense. But we should not be so impressed by past achievements that we forget the still vast area of unexplored territory.

Adventurous thinking is in great demand in chemistry. Perhaps *you* can push back the boundaries of scientific knowledge. Many important developments in science have been made by young men and women.

And because the activities of Tennessee Eastman Company encompass many fields—textile fibers, plastics, coatings, dyes, insecticides, industrial and pharmaceutical chemicals—many opportunities are offered those who plan a career in chemistry.

Globe and base molded from light, shatter-proof Tenite butyrate, an Eastman plastic.

**EASTMAN'S TENITE** butyrate plastic has proved of great value in oil, gas and irrigation pipe lines. A 4" Tenite pipe weighs one-sixth as much as steel... so it can be installed at a 62% lower labor cost. It's so smooth inside, it resists clogging.

Stanley,

Please excuse me misspelling your name. I'm just  
ignorant you know. Stanley, I hope you'll never forget  
the great fun we've had together, especially in Nashville.  
I know I'll never forget us singing in Pulaski and  
Roanoke while we were walking around the streets. I  
bet people thought we had had one too many. Well  
I know I had too many root beers, remember  
that drug store where we got sick  
on the roof. Well I got sick anyway.  
Stanley, I think you're one of the best guys I  
know and Marie is a very nice girl. I hope  
you and Marie always get along well and don't  
buy her any children's bracelets. Remember when  
we started to buy those kid bracelets by mistake.  
Bay! that made me feel funny. I will really  
enjoy playing basketball with you next year.  
I hope to play more next year you know. Bay-  
gone. I'm going to beat that Carl Bell out if it's  
possible. Stanley, I know you're going to be  
a great basketball player. Just keep on practicing.  
And I think you're a darn good singer too.  
I sure hope we get to go to the state tournament  
next year in Memphis. Bay! Will we have a  
time. We'll paint the town red. Here's wishing

a darn good basketball player. Always remember

Dear Stan,

I wish I had a hard time finding  
a place to write you here so many  
friends. That figure I thought most famous  
people have lots of friends and you know  
exception.

I have enjoyed knowing you very much  
and as I have spent some wonderful  
time with you and Marie. I will never  
forget the party for Marie and the afternoon  
we took pictures. Stan you really have  
a sweet girl and she is one of the nicest  
people I have ever met. I know you will  
always meet her goal & I hope you all  
have the very best in the future.

I don't have to wish you much more  
good, because I know you will succeed  
in everything you do, especially basketball  
& singing. I sure will miss watching  
you play, but not you. I hate to go  
in a way. (I think you know why) I guess Marie  
wishes to have too.

Stan I have always thought you are  
one of the sweetest, nicest boys I ever  
knew, especially the way you always  
your friends go to your head. I always  
friendly with everyone & I admire you for  
this. I hope you will be just what I like  
to see. I hope all through life you will  
be the same & I shall always consider you one of my  
friends - you & Marie both.

P.S. Take care of all right you,

# Congratulations

Around graduation, you hear a lot about character, responsibility, future. We approve. But we see it this way, too—You've done a job. Now you go on to bigger and harder jobs—higher learning, armed forces, career, marriage. We congratulate you on the job you've finished. We wish you well on the job you're beginning. And one thing you might keep in mind — you are always welcome at Dobyns-Taylor.
